

The Tannery

A Development of 2/3 Bed Luxury Apartments and Townhouses in the heart of Canterbury

Phase 1 - Consisted of 19 new build apartments with gas fired central heating and two bathrooms within each unit. Communal gas and water installation within riser cupboards.

Phase 2 - The redevelopment of the old Tannery building dating back to the 18th century. Tastefully developed into 24 residential units. A mixture of 2/3 bed apartments and 3 bedroom townhouses. All with gas fired central heating and contemporary bathroom installation including vileroy and boch sanitary ware.
